

the british
psychological society
promoting excellence in psychology

The British Psychological Society
St Andrews House
48 Princess Road East
Leicester
LE1 7DR

26 November 2024

To whom it may concern:

Please note that the IPCD conference was previously approved through the British Psychological Society CPD approval scheme. This scheme has now been replaced by a new CPD Quality Mark scheme which does not accept applications from conferences. As a result of these changes to the eligibility criteria for the scheme, the BPS will no longer approve the IPCD conference from 2025 onwards. This in no way reflects on the quality of the event or the content provided.
